Overview of the INOGATE Work Programme 2011-2012

Emily Koulouvaris
INOGATE Technical Secretariat
Brussels, 19 May 2011
A rolling programme that covers 4 years period (2009-2012) of INOGATE activities

1st version introduced April 2009 for 2009-2010

Updates every 6 months

This INOGATE Work Programme 2011-2012 includes:

- Review of completed activities in the last 6 months – i.e. October 2010 – March 2011

- Updated activities from January 2011 – December 2012
Changes in the period
1 October 2010 - March 31 2011

4 projects were completed in the 6-month period
- Validation, certification and subsequent commercialisation of the Eastern Europe Regional Centre for Hydrocarbons Metrology (Boyarka, Ukraine)
- Harmonisation of electricity standards
- Harmonisation of gas and oil technical standards and practices (E. Europe and Caucasus)
- Enhancement of environmental protection measures in the oil/gas industry of Central Asia (EPMOGI)

5 supply projects were also completed

8 projects are ongoing

Total present budget of all ongoing INOGATE programmes is 34 mln Euros.

Forthcoming projects announced during period will amount to additional 26 mln Euros (estimated)
In the past 6 months.....

INOGATE Projects have completed:

- **29** Events (May-October 2010: 18)
- **13** Publications/reports/studies (April-September 2010: 6)
- **9** Communication Actions (April-September 2010: 6)
- **2** Technical support actions (April-September 2010: 1)

Total actions completed: **53** (April-September 2010: 31)

This last six-month period represents the highest level of activity, in number of actions, since the consolidated INOGATE Work Programme was first produced in April 2009.
Additions and deferrals

Of the 28 ongoing actions in the present work programme:

- 6 actions have been **added** in the past six months.
- No actions have been **deferred** from earlier periods ‘rolled over’ in current programme.
The present work programme includes:

- Events (17)
- Publications (6)
- Communication actions (3)
- Technical assistance actions (2)

Total activities: 28

NB: figure does not include events arising from country communication plans or projects coming on stream in 2011/2012.
Forthcoming Projects

- 2 projects announced by ENPI (c. €20m).
  - Covenant of Mayors
  - New ITS
- 1 major Central Asia project under development (anticipated c. €6mn.)
- Further ENPI projects under development
